### **The Co-operative Advantage**

*Submitted by the ICA Board*

This General Assembly, meeting in Seoul in October 2001,

NOTES the timely focus on attention given to membership of co-operatives by the presentation at the Quebec Congress in 1999, and

RECOGNISING the opportunities that exist in today's world for the application of Co-operative Principles and the organisational form in helping solve the problems of poverty, health, unemployment and other social ills,

URGES member organisations to give renewed attention to the way in which they can promote the "co-operative advantage" in their communities based on practical examples being followed by other co-operatives, and

REQUESTS that the importance of membership be acknowledged, and consequently be a feature of all development activities.
