

Request for Assistance with Visas

Those delegates requiring an invitation letter or other assistance to apply for a visa to enter Malaysia are kindly requested to fill in this visa request form. For information on the visa requirements in your country, please visit <http://www.imi.gov.my/index.php/en/main-services/visa/visa-requirement-by-country> and contact the Malaysian Embassy in your country of residence.

It should be duly noted that the earlier you return the form, the easier it will be for the hosts to be able to assist you with your visa request. Please return the form 3 months prior to your arrival date.

Return the duly filled form by e-mail or fax as soon as possible. In order to reduce mistakes, please type into the form instead of writing in by hand.
