3-7 February	Global Youth Forum	Conference or summit	Bring together the youth community in order to share ideas and experiences. An open space where youth have the possibility of sharing their ideas and views related to key economic, social, political, cultural and environmental issues while gaining knowledge and skills and learning more about the co-operative business model. Foment and build partnerships between co-operatives and different Civil Societies Organizations and International Institutions, set the co-op model on the agenda of other youth networks and strengthen youth co-ops as well as the ICA Global and Regional Youth Networks while giving young people their rightful place in the decision-making process.
